ABOUT SUMMER HEATT/GOATGEAR

The Summer Heatt basketball camp has experienced tremendous growth over the past 17 years. When the Summer Heatt basketball camp started in 1996 we had two weeks of camp with 150 campers. Today there are thousands of kids involved and the program runs every week of the summer. Summer Heatt has now become the premier basketball camp in NJ and we attribute much of this success to our outstanding staff. Many of our staff members are current or former collegiate basketball players. Our staff also consists of some top high school coaches in the area.
